

Fireline, Inc. – Appreciation Awards & Attendance Policy Summary

For Informational Purposes Only – Not Part of the Collective Bargaining Agreement

Appreciation Award Programs (Effective June 1, 2025)

These award programs are established solely by Fireline, Inc. and are ****not contractual****. They may be changed or discontinued at any time by the Company. Awards are intended to recognize and encourage consistent performance and attendance, but are separate from any negotiated bonus or benefit plan in the CBA.

Six Pillars of Success Award

Employees who meet all six categories—Attendance, Quality, Efficiency, Cooperation, Safety, and Housekeeping—receive a \$1,500 award. To qualify, employees must have no disciplinary suspensions and no more than four unexcused absences. The program resets each year on November 1.

Perfect Attendance Awards

Perfect attendance is defined as no absences, tardies, or early departures for a full calendar period, except Jury or Witness Duty. Awards are cumulative based on consecutive months of perfect attendance:

- 3 months – \$100
- 6 months – \$200
- 9 months – \$300
- 12 months – \$400
- Two or more consecutive 12-month periods – \$600

Plant Awards

Additional \$100 awards are given for top efficiency and lowest reject percentages in Plant 1 and Plant 2. Calculation period runs from November 1 through October 31, with awards paid on or about December 10 each year.

Attendance Policy (Effective June 1, 2025)

The Company operates under a rolling 12 month, no fault point system for attendance. *This policy is a management policy—not a negotiated term of the contract—and can be revised at the Company's discretion.*

Point System Overview

- Tardies (1 min–2 hrs): 0.25 to 0.5 points depending on frequency.
- Unexcused absence: 1 point per incident.
- Excused absences include bereavement, jury duty, vacation, PTO, FMLA, sick leave, and authorized union business.

7 points = First Alert

8 points = Second Alert

9 points = EAP meeting

10 points = 5 day suspension (subject to discharge).

Reporting & Documentation

Employees must report absences before 5:00 p.m. on the day of the absence to retain the right to use PTO. Failure to report off results in a point and loss of PTO use. Continuous absences beyond two working days require a doctor's excuse; failure to provide one adds a point per additional day. Points may be forgiven if the employee later goes on approved sick leave.

Summary

The Appreciation Awards and Attendance Policy are ****management incentive programs**** that operate independently of the Collective Bargaining Agreement. The Union encourages members to be aware that participation in these programs is voluntary and subject to change at the Company's discretion. Members should continue to refer to the CBA for all binding terms and benefits.
