

SET UP YOUR PRINCIPAL® ESOP ACCOUNT

A quick guide for union members

Start here: principal.com/Welcome

Use a personal phone and email address you can access. Scan the QR code or type the address above.

BEFORE YOU START

- ☐ Your first and last name
- ☐ Date of birth
- ☐ Mobile phone number (fastest identity verification)
- ☐ Social Security number or employer-provided ID - or your ZIP code
- ☐ A personal email address

SET UP YOUR ACCOUNT

1. Go to principal.com/Welcome and select Get Started.
2. Enter the requested personal information. Agree to electronic business and select Continue.
3. Principal will verify your identity. Without a mobile number, you may need to answer personal questions.
4. Create a unique username and secure password. Add your email address.
5. Choose and answer three security questions.
6. Check for the confirmation email. Your online account is now active.
7. At first login, choose how to receive security codes: text, voice call, or an authentication app.

AFTER YOU LOG IN

- Select the Retirement Plan link for your ESOP account.
- Review your annual ESOP statement and vested account value.
- Keep your personal email address current.
- Name or update your beneficiary.

First-time phone users may be asked to verify identity and create a PIN using the Account/Contract Number.

DON'T SKIP THIS

Name a beneficiary. Your retirement account needs its own beneficiary designation, which can override a will. Review it after marriage, divorce, birth/adoption, or a death in the family.

Go to: principal.com/beneficiary

WHAT YOUR ESOP STATEMENT SHOWS

- Years of vested service
- Company contributions
- Shares and stock value changes
- Total account balance
- Total vested account value
